He unscrewed the bulb and stuck his fingers in the socket.

Mrs. Emma Wetzel Waugh.

In the 34th year of her life, at her home near Anthony, Feb. 28, 1907, Emma Wetzel Waugh, wife of Ison Waugh, quietly passed from beneath the burdens and toils of this life to a rest in the home beyond leaving to mourn her departure a husband, a mother, a sister and three brothers. Mrs. Waugh was a daughter of Mrs. Sallie Wetzel of Lewisburg, and prior to her marriage had spent 14 years as a teacher in the public schools of Greenbrier county devoting her earnings to the support of her mother and the rest of the family, she being the oldest member and her mother, a widow, the burden rested heavy upon her shoulders, For over twenty years the deceased had been a constant and faithful member of the M. E. Cherch South and departed this life in the fullness of christian faith.

While her life is only known to a limited number of the people of this county her husband, to whom she has only been married about 8 months is well known as he was raised on Stony Creek and for a number of years run the Waugh Mill where he was made many friends that now bow in submissive sympathy during his sorrowing hours. The body was brought up on the morning train Saturday and amid a large crowd of friends and relatives was laid to reet in

DIES SUDDENLY

Prominent Marlinton Business Passes Away in Oklahoma.

Profound sorrow was felt by all of our people last Saturday afternoon when a message came announcing the sudden death of G. E. Miller, of the Nickell-Miller Hardware and Furniture Co, which occured at Sulphur Spring, Oklahoma early that morning The news of his death was indeed a shock for it was understood that he was getting along well and bid fair to recover.

Mr. Miller had been unwell for several months past with what was supposed to be rheumatism. A few weeks ago he went to the Hinton Hospital and there it was discovered he was suffering from consumption. He immediately went to Oklahoma but the change of climate was of no avail. His wife was summoned to his bedside last week and was with him when the end came. He was about 38 years of age and leaves a wife but no family. He was a native of Monroe county but has been a resident of Marlinton for the past three years as Manager of the Marlinton Furniture Co. and later manager of the furniture de partment of the Nickell-Miller Hardware and Furniture Co. In this short time he became known to a majority of the people in this county and by his pleasing man ner and strict business principles gained their warmest friendship. His remains were brought to Ron severte Monday and were interred in the graveyard at his old home in Monroe county-
